

We the undersigned having seen the necessity and feeling the importance that there should be a good Fire Engine, and an efficient Company to have the care and work the same in cases of fire, do hereby promise to pay to a duly authorised agent of a Fire Engine Company when formed the sum set to our respective names, in four months from this date, for the purpose of purchasing a fire Engine and other necessary apparatus for the same

The Engine to be located in this place under the care and management of said company when formed — able bodied men having the preference to fill up said company,

The above named company to receive the sum of one Hundred and fifty Dollars raised and appropriated by the said Town of Boscaawen for the above named purpose.

Fishersville N.H.

March 16th 1844.
